Activity (dirt/debris hauling, oilfield, logging, etc.) _____

This permit is for over gross weight on a Smith County Road, the permit holder is required to be legal on tandem axle, single axle, and tire rating. This permit is for the weight that the vehicle can legally carry. **Do not travel on load posted bridges UNLESS the bridge provides the only public vehicular access from or to a permit holder's origin or destination.**

It is expressly understood that Smith County shall not be responsible in any way for any damage of whatever nature that may result from the movement of the above described vehicle and load over Smith County maintained roads and that all such responsibility is hereby accepted on behalf of the applicant.

This permit is hereby cancelled if any of the provisions of this permit are violated by the permit holder, employee of the permit holder, driver, or anyone having an interest whatsoever in the load or vehicle for which said permit was issued.

Permit holder is responsible for all liability as to damages of whatever nature to the road bed, road surface, bridges, culverts, signs, structures, fences, trees, right of way, etc, that may results from said movement of loads over any portion of the Smith County roads.
