## **J. RECONCILIATION:**

The process for comparing the number of voters listed as having voted and the number of ballots cast is done in three ways:

1. Early Voting in Person – Compare the number of early voting check-ins from ES&S's ExpressPolls to the number of ballots cast.

2. Early Voting by Mail – Compare the number of ballots entered on the “Ballot Transmittal Form” from the early voting ballot board to the number of ballots counted. (87.021, 87.1221)
3. Election Day – Compare the number of early voting check-ins from ES&S’s ExpressPolls to the number of ballots cast. (127.007(b))

Additionally, in accordance with Texas Election Code Section 127.131(f), the *Presiding and Alternate Judges* of the central counting station shall provide and attest to a written reconciliation of votes and voters at the close of tabulation for election day and again after the central counting station meets for the last time to process late-arriving ballots by mail and provisional ballots using a form created and rules promulgated by the secretary of state to facilitate compliance with this subsection. Once completed, the form shall be posted on a website maintained by the county along with election returns and results.

**K. PRINTING OF PRECINCT RETURNS AND ELECTION TOTALS:**

Under Section 127.127, the *Tabulation Supervisor* and the *Tabulation Assistants* are the only ones authorized to operate the automatic tabulating equipment or handle ballots that are automatically counted. After the counting of ballots (or accumulation of vote totals) has occurred, the *Presiding and Alternate Judges* of the CCS are responsible for preparing the precinct election returns. The *Presiding and Alternate Judges* are required to sign the precinct returns to certify their accuracy.

The printed “precinct by precinct” report will be adjusted to include any hand-counted ballots (if necessary) and constitutes our certified precinct returns. (Section 127.127(e)), Texas Election Code.

The unofficial election results shall be released as soon as available after the polls close. Alternatively, the *Presiding and Alternate Judges* of the CCS, in cooperation with the Elections Administrator may withhold the release of unofficial results until the last voter has voted. (Section 121.1311, Texas Election Code).

Unofficial election results will be released via Smith County’s Elections Administration webpage, beginning no earlier than 7:00p.m. on Election Day. Election Day results will be released incrementally as processed through acceptance and tabulation until all results are in.

**L. REPORTING RESULTS TO THE SECRETARY OF STATE:**

For certain elections, including primary elections, the general election for state and county officers, and constitutional amendment elections, the SOS is required to tabulate the unofficial results statewide. (68.001, Texas Election Code). For this election, this information will be reported to the SOS through an online portal established by the SOS.

**M. POLL WATCHERS:**

Poll watchers are entitled to be present during the time the CCS has convened for the “purpose of processing or preparing to process election results and until the election officers complete their duties at the station.” (Section 33.055, Texas Election Code).

The poll watcher must deliver their both certificate completion of the Texas SoS Poll Watcher Training and their certificate of appointment to the appropriate *Presiding Judge* of the CCS and the *Presiding Judge* must countersign their certificate of appointment.

Poll watcher(s) are permitted to stand or sit to observe the counting activities. The *Presiding Judge* may dictate where the poll watcher(s) may stand and/or sit in order to prevent interference with the duties of the Central Counting Station personnel while still being able to observe all activities. There will be a maximum limit of two (2) poll watchers at anytime inside the *Tabulation Room* (there is a window for observing all activity, so more watchers can be present outside the room).

All activities of poll watcher(s) shall be in compliance with the current *Poll Watchers Guide* issued by the Secretary of State.

**N. DELIVERY OF MATERIALS TO THE GENERAL CUSTODIAN OF ELECTION RECORDS:**

After the completion of the counting of ballots both on election day and after election day, if necessary, voted ballot cards, electronic media, election records, and election equipment will be retained by this office, who is the general custodian of election records, through the appropriate retention period.
